The THS PTA goal is to continue to support as many students/organizations that we can. There will now be a maximum amount of funds set at \$1,000 per year. There is no guarantee that a grant request will be approved or that your organization will receive the maximum funds. The THS PTA will specifically be looking for organizations that have made significant efforts to raise funds on their own to meet their financial needs. There are also ways that the students involved can volunteer their time back to the PTA to support us in our efforts to support their organizations.
